- * The above customer price includes Franking charge, MCB charge, and estimated DISCOM charges.
- * Customer has to pay incremental charges if actual DISCOM charges are higher than estimated DISCOM charges.
- * Charges will be extra for any additional work (like superstructure, cable, rework, etc.)
- * As it is a turnkey project, any leftover material at the site is of Solarium ownership and will be taken back by Solarium.
- * Registration amount of Rs. 10,000/- for Single phase system and Rs. 20,000/- for Three phase system.
- * Payment to be made by Cheque in the name of SOLARIUM GREEN ENERGY PRIVATE LIMITED (No Cash accepted, Only Cheque)
- * Final Subsidy amount will be considered as approved by DISCOM. Any penalty will be within the customer's scope.
- * Structure strengthening charges are Rs. 10,000 per kW for a front leg height of 6 ft. elevated structure.
