**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF SOLARIUM GREEN ENERGY LIMITED**

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying Financial Statements of “**SOLARIUM GREEN ENERGY LIMITED**” (the Company) having **CIN:U31909GJ2022PLC129634**, which comprise the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss and the Statement of Cash Flows for the year ended and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the “financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 (the Act) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, and its profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules made thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

Key Audit Matters

Key audit matter is the matter that, in our professional judgement, was of most significance in our audit of the Financial Statements of the current period. This matter was addressed in the context of our audit of the Financial Statements as a whole and in forming our opinion thereon and we do not provide a separate opinion on this matter. We have nothing to report in this regard.

Information Other than the Financial Statements and Auditor's Report Thereon

The Board of Directors of the Company is responsible for the other information. The other information comprises the information included in the operational highlights, Directors' Report and its annexure, Management Discussion and Analysis, Business Responsibility Report, Corporate Governance and Shareholder's information and performance trend, but does not include the Financial Statements and our Auditor's Report thereon. These reports are expected to be made available to us after the date of auditor's report.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Board of Directors of the Company is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities, selection and application of appropriate accounting policies, making judgements and estimates that are reasonable and prudent, and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, the Management is responsible for assessing the ability of the Company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they can reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of use of the going concern basis of accounting by the Management and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information of the Company to express an opinion on the Financial Statements.

Materiality is the magnitude of misstatements in the Financial Statements that individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our Auditor's Report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter must not be communicated in our report because the adverse consequences of doing so will reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 (the Order), issued by the Central Government in terms of Section 143(11) of the Act, we give in Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.

- d) In our opinion, the aforesaid Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on March 31, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial controls with reference to financial statements.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended,

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its Directors during the year is in accordance with the provisions of Section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - 1) The Company has disclosed the impact of pending litigations on its financial position in its Financial Statements- Refer Note 12 to the Financial Statements.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of SOLARIUM GREEN ENERGY LIMITED of even date)

Report on the Internal Financial Controls with reference to Financials Statements under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (the "Act")

We have audited the internal financial controls over financial reporting of **SOLARIUM GREEN ENERGY LIMITED** (the Company) as of March 31, 2024, in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Control

The Management of the Company is responsible for establishing and maintaining internal financial controls with reference to financial statements based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the Guidance Note) issued by the Institute of Chartered Accountants of India (THE "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the policies of the Company, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls of the Company with reference to financial statements over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements over financial reporting and their operating effectiveness. Our audit of internal financial controls with reference to financial statements over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the Auditor's judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to financial statements over financial reporting of the Company.

Meaning of Internal Financial Controls over Financial Reporting

The internal financial control over financial reporting of a company is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with the Generally Accepted Accounting Principles. Internal financial control with reference to financial statements over financial reporting of a Company includes those policies and procedures that

- i) Pertain to the maintenance of records that in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- ii) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with the Generally Accepted Accounting Principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of Management and Directors of the Company; and
- iii) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the assets of the Company that can have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Control over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at March 31, 2024, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

B. SIGNIFICANT ACCOUNTING POLICIES FOR PREPARATION OF FINANCIAL STATEMENTS

B.1 Accounting Convention

The financial statement has been prepared under the historical cost convention on the "Accrual Concept" except for certain financial instruments which are measured at fair values and Going Concern assumptions of accountancy in accordance with the accounting principles generally accepted in India and comply with the accounting standards as prescribed by Companies (Accounting Standard) Rules, 2006 and with the relevant provisions of the Companies Act, 2013 and rules made there under.

All amounts disclosed in the financial statements and notes have been rounded off to the nearest Rs. In Lakh as per the requirement of division II of Schedule III, unless otherwise stated.

B.2 Use of Estimates and Judgements

The preparation of financial statements requires management to make estimates, judgements and assumptions that affect the reported amount of assets and liabilities on the date of the financial statement and the reported amount of revenues and expenses during the reporting period. The application of accounting policies that require critical accounting estimates, which involve complex and subjective judgments and the use of assumptions in these financial statements, have been disclosed in notes. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates and judgements are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

B.3 Current and Non - Current Classification

An asset or a liability is classified as Current when it satisfies any of the following criteria:

- i. It is expected to be realized / settled, or is intended for sales or consumptions, in the Company's Normal Operating Cycle;
- ii. It is held primarily for the purpose of being traded.
- iii. It is expected to be realized / due to be settled within twelve months after the end of reporting date;
- iv. The Company does not have an unconditional right to defer the settlement of the liability for at least twelve months after the reporting date.

All other assets and liabilities are classified as non-Current.

For the purpose of Current / Non - Current classification of assets and liabilities, the Company has ascertained its operating cycle as twelve months. This is based on the nature of services and the time between the acquisition of the assets or liabilities for processing and their realization in Cash and Cash Equivalents.

C. Basis of Preparation

1) Presentation and Disclosure of Financial Statements

These financial statements have been prepared as per "Schedule - III" notified under the Companies Act, 2013. The Company has also reclassified / regrouped / restated the previous year figures in accordance with the requirements applicable in the current year.

2) Property, Plant and Equipment

Property, Plant and Equipment are stated at cost less accumulated depreciation and impairment losses, if any. Cost comprises of all expenses incurred to bring the assets to its present location and condition. Borrowing cost directly attributable to the acquisition /construction is included in the cost of fixed assets. Adjustments arising from exchange rate variations attributable to the fixed assets are capitalized.

In case of new projects / expansion of existing projects, expenditure incurred during construction / preoperative period including interest and finance charge on specific / general purpose loans, prior to commencement of commercial production are capitalized. The same are allocated to the respective on completion of construction / erection of the capital project / fixed assets.

Subsequent expenditures related to an item of tangible asset are added to its book value only if they increase the future economic benefits from the existing asset beyond its previously assessed standard of performance.

Capital assets (including expenditure incurred during the construction period) under erection / installation are stated in the Balance Sheet as "Capital Work in Progress."

3) Depreciation

All fixed assets, except capital work in progress, are depreciated on WDV Method. Depreciation is provided based on useful life of the assets and depreciation rates as prescribed in Schedule II to the Companies Act, 2013. Depreciation on additions to / deletions from fixed assets made during the period is provided on pro-rata basis from / up to the date of such addition / deletion as the case may be.

4) Impairment of Assets

At each balance sheet date, the Company reviews the carrying amount of its fixed assets to determine whether there is any indication that those assets suffered an impairment loss. If any such indication exists, the recoverable amount of the assets is estimated in order to determine the extent of impairment loss. Recoverable amount is the higher of an asset's net selling price and value in use. In assessing value in use, the estimated future cash flows expected from the continuing use of the assets and from its disposal are discounted to their present value using a pre-tax discount rate that reflects the current market assessments of time value of money and the risks specific to the assets.

5) Inventories

Inventories consist of Raw Materials and Finished Goods are valued at Cost or Net Realizable Value, whichever is lower.

6) Investments

Investments are classified into current investments and non-current investments. Current investments i.e. investments that are readily realizable and intended to be held for not more than a year valued at cost. Any permanent reduction in the carrying amount or any reversals of such, reductions are charged or credited to the Statement of Profit & loss Account.

Non-current investments are stated at cost. Provision for diminution in the value of these investments is made only if such decline is other than temporary, in the opinion of the management.

7) Revenue Recognition

Revenue is recognized when it is probable that economic benefit associated with the transaction flows to the Company in ordinary course of its activities and the amount of revenue can be measured reliably, regardless of when the payment is being made. Revenue is measured at the fair value of consideration received or receivable, taking into the account contractually defined terms of payments, net of its returns, trade discounts and volume rebates allowed.

Revenue includes only the gross inflows of economic benefits on its own account. Amount collected on behalf of third parties such as sales tax, value added tax and goods and service tax (GST) are excluded from the Revenue.

Sale of goods is recognized at the point of dispatch of goods to customers, sales are exclusive of Sales tax, Vat, GST and Freight Charges if any. The revenue and expenditure are accounted on a going concern basis.

The capital gains on sale of investment if any are recognized on completion of transaction. No notional profits/losses are recognized on such investments.

Interest income is recognized on time proportion basis, when it is accrued and due for payment.

Dividend from investments in shares / units is recognized when the Companies right to receive payment is established.

Other items of Income are accounted as and when the right to receive arises.

8) Borrowing Cost

Borrowing Cost includes the interest, commitments charges on bank borrowings, amortization of ancillary costs incurred in connection with the arrangement of borrowings.

Borrowing costs that are directly attributable to the acquisition or construction of qualifying property, plants and equipment's are capitalized as a part of cost of that property, plants and equipment's. The amount of borrowing costs eligible for capitalization is determined in accordance with the Accounting Standards – 16 "Borrowing Costs". Other Borrowing Costs are recognized as expenses in the period in which they are incurred.

In accordance with the Accounting Standard – 16, exchange differences arising from foreign currency borrowings to the extent that they are regarded as adjustments to interest costs are recognized as Borrowing Costs, and are capitalized as a part of cost of such property, plants and equipment's if they are directly attributable to their acquisition or charged to the Statement or Profit and Loss.

9) Employee Benefits

Short – term employee benefits are recognized as an expense at the undiscounted amount in the profit & loss account of the year in which the related service is rendered.

Post employment and other long term employee benefits are recognized as an expense in the profit & loss account for the year in which the liabilities are crystallized.

10) Taxes on Income

Income tax expenses for the year comprises of current tax and deferred tax.

Current tax provision is determined on the basis of taxable income computed as per the provisions of the Income Tax Act.

Deferred tax is recognized for all timing differences that are capable of reversal in one or more subsequent periods subject to conditions of prudence and by applying tax rates that have been substantively enacted by the balance sheet date.

11) Foreign Currency Transaction

- i. Transactions denominated in foreign currencies are recorded at the exchange rate prevailing at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies at the year end are restated at closing rate.
- ii. Any exchange difference on account of settlement of foreign currency transaction and restatement of monetary assets and liabilities denominated in foreign currency is recognized in the statement of Profit & loss Account.

12) Provision, Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent liabilities of the company as on March 31, 2024 are as follows:

Sr. No.	Financial Year	Nature of Due	Matter	Amount involved (Rs. Lakhs)	Current Status

13) Related Party Disclosure

The Disclosures of Transaction with the related parties as defined in the related parties as defined in the Accounting Standard are given in notes of accounts.

14) Accounting for Leases

A lease is classified at the inception date as finance lease or an operating lease. A lease that transfers substantially all the risk and rewards incidental to the ownership to the Company is classified as a finance lease.

The Company as a lessee:

- i. **Operating Lease:** - Rental payable under the operating lease are charged to the Statement of Profit and Loss on a Straight-line basis over the term of the relevant lease.
- ii. **Finance Lease:** - Finance lease are capitalized at the commencement of the lease, at the lower of the fair value of the property or the present value of the minimum lease payments. The corresponding liability to the lessor is included in the Balance Sheet as a finance lease obligation. Lease payments are apportioned between finance charges and the reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are charged directly against the income over the period of the lease.

The Company has not provided any of its assets on the basis of operating lease or finance lease to others.

15) Cashflow

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals of past or future cash receipts and payments. The cash flows from regular operating, investing and financing activities of the company are segregated.

16) Earnings Per Share

The Company reports the basic and diluted Earnings per Share (EPS) in accordance with Accounting Standard 20, "Earnings per Share". Basic EPS is computed by dividing the Net Profit or Loss attributable to the Equity Shareholders for the year by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed by dividing the Net Profit or Loss attributable to the Equity Shareholders for the year by the weighted average number of Equity Shares outstanding during the year as adjusted for the effects of all potential Equity Shares, except where the results are Anti - Dilutive.

The weighted average number of Equity Shares outstanding during the period is adjusted for events such a Bonus Issue, Bonus elements in right issue, share splits, and reverse share split (consolidation of shares) that have changed the number of Equity Shares outstanding, without a corresponding change in resources.

17) Discontinuing Operations

During the year the company has not discontinued any of its operations.

18) Event after Reporting Date

Material events occurring after the balance sheet are considered up to the date of approval of the accounts by the board of directors.

19) The previous year's figures have been reworked, regrouped, and reclassified wherever necessary. Amounts and other disclosures for the preceding year are included as an integral part of the current annual financial statements and are to be read in relation to the amounts and other disclosures relating to the current financial year.

20) Credit and Debit balances of unsecured loans, sundry creditors, sundry Debtors, loans and Advances are subject to confirmation and therefore the effect of the same on profit could not be ascertained.

21) Balances of Trade Payables, Trade Receivable and Loans and Advances are subject to confirmations and reconciliation if any, by the respective parties.

22) The account balances existing at the beginning of the period have been relied upon the audited financial statements.

23) Amounts are in lakhs except units are in actual numbers wherever required considered accordingly for respective computations.

24) Segment Reporting

The company is engaged in Residential Rooftop & Government EPC as well as C & I and Ground mount Solar Project as primary segment. Company doesn't have separate parts of the business that focus on specific products or services, each with its own risks and rewards.

25) Statement of Management

- i. The current assets, loans and advances are good and recoverable and are approximately of the values, if realized in the ordinary courses of business unless and to the extent stated otherwise in the Accounts. Provision for all known liabilities is adequate and not in excess of amount reasonably necessary.
- ii. Balance Sheet, Statement of Profit and Loss and Cash Flow Statement read together with Notes to the accounts thereon, are drawn up so as to disclose the information required under the Companies Act, 2013 as well as give a true and fair view of the statement of affairs of the Company as at the end of the year and results of the Company for the year under review.
